## TRIUMPH DEMOCRACY!

HON ZEBULON WEAVER.

Yes, November the Seventh will be the Glad Day when the sturdy Men of the Mountain Land will rejoin the advancing columns of the Solid South---and march with Wilson and Weaver to a Glorious Victory of Jeffersonian Ideals.

No more Republican-Progressiveism or Democratic-Republicanism--which is it, anyhow?--for the Natural Democrats of old Zeb Vance's District. Never Again!

Wilson needs Weaver--We need Weaver--and we are going to elect them both! Get busy boys--Let's make it a Landslide!
